

Request for Inspections Prior to Homeowner Occupancy

Enbridge Gas Distribution needs a minimum 48 hours notice (2 business days) of requiring this service. Please specify the required date for each property.

Dedicated Builder fax number **1-800-494-6411**

To enter your request online, go to **buildwithgas.com**, click on 'For Builders' and look for the 'Inspections Prior to Homeowner Occupancy' form under online forms.

Enbridge must conduct a mandatory safety inspection of all natural gas piping and equipment in the home prior to occupancy. This additional inspection will be completed once you request inspections after all equipment installations are complete.

Please see reverse side for a sample of a completed form. ►

Request for Inspections Prior to Homeowner Occupancy

Fax Transmission: 1-800-494-6411

- Book your inspection after the mechanical equipment is installed and ready for inspection (before occupancy).
- **MINIMUM 48 HOURS NOTICE REQUIRED (2 business days)**. Indicate the required date for inspection.
- Faxes received after 4:00 p.m. will be considered as received the next day.

(Please check applicable box)

<input type="checkbox"/>	Meter Activation with Inspections; Enbridge will activate the meter set and complete inspections of all permanent gas appliances to be installed prior to homeowner occupancy. To be used when meter activation for temporary construction heat is NOT required.
<input checked="" type="checkbox"/>	Inspections Prior to Homeowner Occupancy; To be used when the meter set is already activated for construction heat (meter is on) and all permanent gas appliances are ready for inspection.
